SEATTLE/TACOMA — STATION NUMBER SEVEN!!!

Beloved TV Partners:

As I write this letter to you a sense of holy awe surrounds me. Ten years ago this month, God began the vision for TRINITY BROADCASTING. In those early formative months God also spoke a promise by a word of prophesy:

... my heart exults in the Lord, my horn is exalted in the Lord, my mouth speaks boldly against my enemies, because I rejoice in thy salvation... the bows of the mighty are shattered, but the feeble gird on strength... those who were hungry cease to hunger. EVEN THE BARREN GIVES BIRTH TO SEVEN.

(1 Samuel 2:1, 2, 4 & 5b)

When this Word was given we were indeed barren! No TV station, No finances, no strength or special abilities — JUST THE PROMISE OF GOD! But that was enough!

Now, PRAISE THE LORD, the glorious fulfillment of the vision is in view! The GOOD NEWS — on DECEMBER 8, 1982 the contract was signed by both parties looking toward the transfer of Channel 20 which will cover the entire Puget Sound area and even up into Vancouver, B.C. with CHRISTIAN TELEVISION! And, because of the unique way this contract is arranged, we will be able to begin construction almost immediately! Please pray that everything will move quickly and smoothly through the FCC since everything must be approved by them.

Beloved partners, I know in my spirit that we are NOW on the threshold of God's great final call to humanity. The tempo is accelerating at a taking pace. Thank God the call is going out 24-hours a day into homes, hospital rooms, prison cells, and partners, there is a steady stream of salvation reports streaming into the telephone prayer lines daily! Praise the Lord! But now, we must gird ourselves spiritually for this final thrust. The NEW YEAR OF 1983 is going to be GLORIOUS! The Holy Beamer will be rolling EVERYWHERE — to all of our sister stations from New York to Los Angeles. Special revivals with Nicky Cruz, James Robison, Jimmy Swaggart, Morris Cerullo, Ken

Copeland, just to name a few of the highlights. Arthur Blessitt will be sending us special reports from Europe as he walks with the Cross all over that Continent. Foreign language PTL continues to expand now in EIGHT languages from Europe around the world to the Orient! PTL! And the best news is: YOU ARE GOING WITH US! Yes, you will have a front row seat in your living room as we literally GO IN ALL THE WORLD — preaching the GOSPEL to every creature! Thank you for being our SOUL WINNING partners as we GO, GO, GO! Now YOU none of this would be possible. Your sacrifices of love are literally changing our world — GLORY BE TO GOD — WE'RE WINNING! We know because...

Rock music is on the rocks!
Prisoners are finding Christ.
Drug Addicts are being delivered.
The hungry are being fed.
Satan's lies are being exposed.
Souls are being saved.
We're claiming every TV station in sight!
PRAISE THE LORD — JESUS IS ABOUT TO RETURN!

Partners, let's warn the lost ones all around us that the time is near. Jesus said in Matthew 24:

For the coming of the Son of Man will be just like the days of Noah. For as in those days which were before the flood they were eating and drinking, they were marrying and giving in marriage, UNTIL THE DAY THAT NOAH ENTERED THE ARK, and they did not understand until the flood came and TOOK THEM ALL AWAY, so shall the coming of the Son of Man be.
(Matthew 24:38-39)

Partners, another flood is coming. This time it will be a flood of God's judgement upon all the earth. Will you continue to help Jan and me warn them? Let us hear from you this month so that we will know your love and support is still strong! We do love you and will be your prayer and faith partner till Jesus comes!

Sincerely your brother in Christ,

Paul

LOVE LETTERS FROM OUR TBN FAMILY

My Dearest Paul and Jan,

As a chapter of my life comes to a close I want to thank you and your ministry. August 13, 1982, I was arrested on charges; I have lost that battle with the law and though I've never been arrested in my life, I may be spending the next 7 years in a solitary cell under protective custody. I tell you this so you may continue to send your messages to us and to give strength to the importance of the satellite disc programs. When I came to the Oklahoma County Jail, 111 (one hundred and eleven) days ago I entered this 12 bunk cell where murder, knifings and beatings have taken place. I am in Max. Security with a 24 hour T.V. camera, lights and listening microphones constantly surveying us. Once every hour from 8:00 a.m. to 4:00 p.m. CST guards walk by our cage—but I still have seen beatings and a number of things I do not want to even remember today. You see Satan has made a major mistake. He allowed four born again Christians—Don Woods, Greenberry McIntosh, O'Neal Douglas, and Bobby Manor to be together. Miracles started to happen and TBN

saved after watching Praise the Lord August 21, 1982, eight days after entering jail...

Since then I've received letters, books (including some Mexican New Testaments and Bible) and a pen pal (Mrs. Teresa Ferralos) from within your organization.

Today we have 14 men in here—all Christians—that's 100% PRAISE THE LORD. We have Daily Bible study with books from many ministries of which I am now the "leader." Thank you Jesus. We have cleaned the walls of obscene words and put PRAISE THE LORD, JESUS IS THE ANSWER and I have a cross that was drawn on my bunk. We get attacked by Satan every once in a while but we bind, and rebuke him in the Name of Jesus then we pray to wash the cell in the Blood of Jesus (our best weapon in emergencies) and the Word of God....

I look around—I see two men Juan Longoria and Kole Davis studying the Word. I see Byron Beamer and Tony Sise making a beautiful cross. I see two more in another corner in fellowship and witnessing to each other. I see two on the floor watching T.V. after our Bible study and I see three up above me in

fellowship and two playing cards. And myself writing you. I love my brethren here and I wish the state could realize how much Jesus Christ heals. I want to do so much for Jesus now, but I will spend my time studying and when I can, witnessing.

I love you guys so much and when I get to Lexington Assessment and Reception Center I will be given a Prison number. I should be there before Christmas. Please pray for me and write me again—...

I John 5:18-21

Len Mikes (A free man in Christ)

P.S. Paul—I want to thank you for helping make His Word alive and everything to me—Bless you in His Name Jesus.

P.S. Jan—Thanks for your special concern and ministry for the downtrodden. I prayed that I could meet you and Paul ...

I know you have many letters addressed to you and I want to thank you for the personal letter to me relating to my last two letters. I bless you.

The meeting opened with prayer. The President then read from Psalm 40.

It was then moved, seconded and passed by the directors of the respective corporations that the present directors and officers be elected for new terms. For those affiliates requiring membership votes, the votes of directors shall be deemed votes of the corporation members.

The President then reported on the status of negotiations for a station in the Tacoma, Washington area.

The possibility of adding educational channels was then discussed. The President announced that Trinity Broadcasting Network, Inc. is in escrow for control of 80 acres of real property in Escondido that can be used for educational purposes.

The President next reported on the status of our cable television efforts. At the present we are involved with 350 to 400 cable systems, serving approximately ten million individuals.

R.C.A. is planning a Direct Broadcast Satellite in 1985 that will have the capacity to broadcast directly to individual homes which have only inexpensive receiving equipment.

The most recent audited financial statement was then discussed, covering a 17-month period ending December 31, 1981. The financial statement revealed a combined income of \$22,189,178 and total expenses of \$15,480,636. When combined with the opening fund balance, the fund balance on December 31, 1981 was \$19,168,801.

The figure did not include any income for the Denver ministry. The Controller reported that income of over \$50,000 per month was being received from Denver.

Trinity Broadcasting of Florida, Inc. reflected a negative ending balance of \$61,180.00. The President reported, however, that Florida had "turned the corner" and was producing a positive cash flow.

The statements of Trinity Broadcasting of Indiana, Inc. and Trinity Broadcasting of Oklahoma City, Inc. showed no substantial receipts as said corporations were in organizational stages during the period covered.

Translator T.V., Inc. showed no income. The President reported that F.C.C. proceedings have placed all applications of the corporation on a holding basis.

The board then reviewed current financial statements for affiliated corporations.

The board reviewed the fact that station managers are authorized to spend up to \$500.00 without home office approval. This would not be applicable to emergencies, but is intended primarily to cover capital expenses.

The board then considered a proposed personnel policy manual.

The sick leave policy was amended pursuant to the terms on Exhibit "A" hereto.

The board then considered the procedures for ordination of new ministers. The board expressed its appreciation to Messrs. John Casoria and Philip Crouch for preparation of ordination requirements. Upon motion duly made and seconded, the ordination procedures set forth in the corporate policy manual were adopted and approved by the Board of Directors of Trinity Broadcasting Network, Inc.

The following candidates were presented for ordination for the first time:

1. Grace Cephas
2. Joanne Mann
3. Joan Christ
4. Susan Craddock
5. Stanley Hollon
6. Linda Pacheco
7. Yvonne Rivell
8. Suzanne Wilson
9. Laura Massey

All of said individuals have presented formal applications for ordination. All of said individuals were recommended for ordination by their respective station managers or department heads. All individuals were then approved for ordination.

Certain ordained individuals were then considered for housing allowance in the amounts specified on Exhibit "B" hereto. All of said individuals who had been previously ordained by Trinity Broadcasting Network, Inc. were renewed.

The boards of the respective organizations pursuant to motion duly made and passed approved each housing allowance by unanimous vote.

Those present then considered a request for tuition assistance by an employee. The president requested discussion on the subject. The problem of the employee departing from the corporation's employment after receiving the education was discussed, together with the benefits to the corporation and the employees. No resolution was passed and the matter was left to consideration on a case by case basis.

The board then discussed programming with Terence Hickey, director of programming for the network.

Mr. Ben Miller, Chief Engineer for the network, discussed problems common to the network.

The board discussed procedures to be followed when ordering equipment. Purchase orders are required on all expenditures over \$25.00. Engineers for particular stations are to submit to their station managers for decisions, rather than calling California.

Mr. Miller suggested that equipment purchases of a major nature be subject to consideration by the station manager and the Chief Engineer prior to requests being made to headquarters. Priorities should be established for each item and then submitted to Mr. Miller for discussion with the corporate president.

Mr. Miller requested that all qualified engineers who come to the attention of affiliate stations be referred to him as there is almost always a need for qualified engineers.

Mr. Jay Jones then entered the board meeting to discuss prayer partner procedures.

It was recommended and agreed that new prayer partners will be advised that their acceptance is subject to approval through an interview.

The meeting then adjourned with prayer.

SICK LEAVE

PURPOSE: To prescribe sick leave policy for employees of TBN and its Affiliates.

POLICY:

1. TBN's policy is that of the Scripture: "That thou mayest prosper and be in health, even as thy soul prospereth" (III John 2). We believe that sickness is not God's perfect will for His children, and that, if a TBN employee does get sick, fervent and believing intercessory prayer to our Father by fellow employees will quickly bring healing and return to duty and productivity in God's work here.
2. For permanent, full-time employees who have been employed ninety (90) days or more on January 1st of each year, up to five (5) sick/personal days are authorized per calendar year without a doctor's written excuse.
3. For permanent full-time employees who have been employed less than ninety (90) days on January 1st, five (5) sick/personal days will be pro-rated.
4. Except in cases of genuine illness, sick/personal leave shall not be taken within one week prior to or after holidays and/or vacations.
5. Sick/personal leave is accounted on a calendar year basis and may not be accumulated.
6. Only two of the five days allowed may be taken as personal days. These are to be taken at the discretion of the employee's immediate Supervisor, depending on workload, and with the approval of the Department Head and/or Station Manager. Affiliate employees are to obtain the approval of both their Department Head and the Station Manager.
7. In no event are personal days to be taken after December 15th of that calendar year.

PROCEDURES:

1. The Personnel Department will maintain sick leave records for all employees. Supervisors and Affiliate Stations should also maintain records and periodically be reconciled with the Personnel Department.
2. For non-emergency sickness, such as scheduled surgery, employees should notify Supervisors as far in advance as possible. In all cases, Supervisors must be kept informed.
3. Employees are asked to refrain from taking one or two hours off for personal business. For record keeping and accounting purposes, it is best that a whole day be taken.

GO QUICKLY AND TELL!

And go quickly and tell his disciples that He is risen from the dead. . . Matthew 28:7

Mary wanted to tell! She had seen Him — HE WAS ALIVE! Everyone who met Jesus as He walked this earth was different. And almost without exception they wanted to tell about their meeting. Even when Jesus would forbid them to tell of His healing power they just couldn't help it — **THEY HAD TO TELL!**

Anna was a little 100 plus year old prophetess who lived in the Temple. When they had brought the baby Jesus to the Temple, she told everyone in and around the house of God the good news of a Redeemer.

The woman at the well ran into her city and told everyone — *Come see a man. . .*

The scriptures tell us that some of wicked King Herod's own household were believers in Jesus. They had to tell a little differently, by tributing to the support of Jesus' ministry.

Joanna, Chuza's wife (Chuza was King Herod's business manager) Susanna, and many others were contributing from their private means to the support of Jesus and His disciples (Luke 8:3).

Yes, some gave financially to help Jesus and His disciples with His earthly ministry.

One very sobering story from scripture is the rich man who refused to help the beggar Lazarus who sat at his gate. When he died the Bible says he "lifted up his eyes in hell, being in torment." He pled with Abraham to allow someone to go and tell his 5 brothers the way of salvation so that they would not have to go to hell — HE WANTED TO TELL, but now it was too late!

Beloved Partners, if you have met Jesus, you will want to TELL someone else about Him. Our pitiful dying world is groaning, aching, for someone, anyone, to tell them how to be saved, how to be healed, how to go to heaven!

WILL WE TELL THEM?

The wrenching question today with over 4-1/2 billion on planet earth is **HOW?**

Well, the **GOOD NEWS** is **IT CAN BE DONE!** Jesus would never give us an impossible task. The first century Christians led by the Apostles literally took the Gospel to **THEIR WORLD**. They walked, rode horses, sailed on leaky wooden ships, gave their very lives to TELL of Jesus and His Power to save.

In the Apostle Paul's day the best means of travel was a fast horse. You could travel about 100 miles a day at best. At this pace you could have made it around the world in about one year. So we could say that the world was 25,000 miles or one year in diameter.

Today the fastest means of communication is television and radio beams. They travel at the speed of light — 186,000 miles per second! At this speed an electromagnetic wave (TV-radio) can circle the earth about 7 times in **ONE SECOND!** PRAISE THE LORD! Our world is now 1/7th of a second or about **ONE FOOT** in diameter compared to the Apostle Paul's world!

Yes, Jesus gave us the tools to carry out the commission He gave to us.

CHRISTIAN TELEVISION is one of those powerful ways that we can — **GO QUICKLY AND TELL!** OH, beloved partners, **LET'S GO! WE CAN DO IT!** As you pray for and support **YOUR CHRISTIAN TELEVISION NETWORK**, we can TELL the whole world some day about the love of Jesus Christ! Jan and I need you now more than ever as we begin construction on Channel 20 — Seattle/Tacoma! We need your prayers and support as we reach out now to Hawaii and Alaska. Also, many are coming to us asking help to build more Christian TV stations.

We need your help as we begin filing for new non-commercial stations across America — 100 strong!

We need your help as we build the budgets again, May 16 thru 22, for the many wonderful TV programs which bless so many 24 hours day.

Thank you for filling out the pledge renewal form at the back of this newsletter. Please let Jan and me hear from you — without you there'd be no Christian Television.

We love you, are praying for you and are waiting to hear from you!

TOGETHER WE WILL GO QUICKLY AND TELL!

Paul

TRINITY BROADCASTING GIVES, TOO!—ALL YEAR LONG!

When you give to support Trinity Broadcasting, you are really giving twice—here's why:

Many other ministries (listed below) are given air time on our TV stations at a **fraction** of the cost on commercial TV stations. Ministries like Oral Roberts, Dwight Thompson, Ken Copeland, Fred Price, Richard Jackson, Charles Taylor, plus all of the programmers listed.

These great ministries would be forced to pay much **HIGHER RATES** for their TV time if TBN did not provide this low cost time to them. In Los Angeles, for example, Channel 40 charges approximately \$500 for a half hour program. A regular commercial station charges approximately \$5,000 and more for the same half hour!

All we ask our paid programmers to do is cover the cost to keep the station on the air for that half hour! Pastor Richard Jackson of North Phoenix Baptist Church has said that he pays more for his one hour on a local Phoenix secular channel on Sunday morning than he pays for that hour of **PRIME TIME** on the entire TBN Network which includes **SIX BROADCAST STATIONS** plus approximately 350 cable stations from Coast to Coast.

So you see, TBN **MUST** stay **STRONG FINANCIALLY** or all these other great ministries will suffer impossible rate increases!

Beloved Partners— **PLEASE MAKE YOUR PLEDGE NOW** and send it in **SOON** so that we will **know** you are still standing with us in Faith and so that we may continue to offer virtually all of our time to the many other ministries, plus continue producing **PRAISE THE LORD** as well as the 40 or so **OTHER TBN** programs you see listed in this newsletter.

God bless you—Jan and I love you and **know** that you will not let us down now as we move toward our final goal of 24 hour **CHRISTIAN TELEVISION** for the **WHOLE WORLD!!**

The heavens are telling the glory of God; they are a marvelous display of his craftsmanship. Day and night they keep on telling about God. Without a sound or word, silent in the skies, their message reaches out to all the world. The sun lives in the heavens where God placed it. (Psalms 19:1-4 LB)

SPECIAL MEETING OF
TRINITY BROADCASTING NETWORK, INC.

A special meeting of Trinity Broadcasting Network, Inc. was held on May 27, 1983 at 2:30 p.m. at the corporate headquarters.

All directors were present.

The meeting opened with prayer.

It was moved by Mr. Juggert and seconded by Mrs. Duff that Jan Crouch be added to the board of directors. The board discussed the advantage of such a board of directors and particularly the checks and balances such a board would provide. The motion passed unanimously.

The board then discussed the present status of the A.S.C.A.P. audit and claim. The consensus of the meeting without a formal resolution was that the corporation should seek to resolve the matter by settlement prior to litigation.
